BRIEF ABSTRACT OF LETTER.

Forwarding Kolar Dist magistrate's letter no. J.C 219/23-2 dated 13.10.23 bringing to notice the inconvenience of inspecting the lock up house at once in a year and suggesting the amendment of rule 14 of the Lock up manual, but stating that the D.G.P. is not in favour of the proposal by the Dist. Kolar.

NOTES AND ORDERS.

Submit for orders. The reasons assigned by the Dist magte Kolar does not appear to be quite convincing. An important lock up there will lie lonely little work or no work with the result that the D.M. need not take

much time to inspect the same. The papers and registers to be perused will be very small. When he is learning through the Talukas for short terms this book of inspection work may perhaps be conveniently allowed to lapse. The recommendation of the Dy. Collectors may perhaps be approved. Besides there are only about 40 book-keepers in the Karwar District, of which the Dy. says the rule need not be changed in respect of 3 book-keepers stationed in the case of the remaining 7 that he wants the rule to be changed, which is against the opinions of the other Dy. Collectors & the Inspecting Dy. Collectors seems to call for no change.

The opinion of the Dy. Collectors may perhaps be approved.

No. 1936 Exec. One / 70-23. Office of the Inspector-General of Prisons in Mysore,

Dated, Exec. One, 3rd December 1923.

From

Dr. B. Mahomed Usmon, L.M.& S., Pris 33-25

Ag. Inspector-General of Prisons in Mysore, Bangalore.

To

B. Nagappa Esqr., Bar-At-Law,

Secretary to the Government of H.H. the Maharaja of Mysore, Local & Legislative Departments, Bangalore.

Sir,

In forwarding herewith the copy of letter No.J.C.-229/23-24 dated the 13th October 1923, received from the District Magistrate, Kolar, bringing to notice, the inconveniences felt by him, re: the inspection of Taluk Lock-ups more than once in a year, I have the honour to state that every District Magistrate, has the the same amount of work as the District Magistrate of Kolar, which is a small area, compared with other Districts. Moreover no other District Magistrate has complained about it as yet. Therefore, I am not in favour of amending Rule 14 of the Lock-up Manual, as suggested by the District Magistrate.

I have the honour to be,

Sir,

Your most obedient servant,

B Mahomed Usmon

Ag. Inspector-General of Prisons.

(Camp Mysore)

Letter No. J.C. /33-34 dated 13th October 1933, from the District Magistrate, Kolar District, Kolar, to the Inspector-General of Prisons in Mysore, Bangalore.

Adverting to Rule 14(b) of the Lock-up manual requiring the District Magistrate to hold the inspections of the Lock-ups once in 6 months i.e., twice a year, I have the honour to bring to your notice that the District Magistrate has 50 to 60 Offices to inspect annually in his different capacities and it is therefore not convenient for him, to attend to the inspection of the Lock-ups, more than once a year. I would therefore propose that while the two inspections might be retained, one only need be a detailed one and the other only a general inspection. This modification will not of course apply to the District Lock-up the Lock-up at Chikballapur and the Special Lock-up of K.G.F. which will continue to be inspected twice a year, by the District Magistrate. modifications proposed, applying only to the comparatively unimportant Lock-ups.

2. I hope you will fall in with my views and propose to Government to amend the Rule accordingly.
